**Parish Websites**  
As a result of initiatives from the pastoral councils in both parishes, there are now Websites launched, or relaunched for each place.  
**www.corpuschristiclifton.org.uk** was set up under Fr Chris, but not fully realised, and **www.olspottingham.com** is a new creation from our Proclaim Group. I hope each will be an asset to our parish work and a means to further the work of each parish. I'm sure there will be many other things that can be added to further enhance each site.

### Parking on Launder Street

Parishioners bringing cars to church are advised that Launder Street is now restricted to resident parking with permits. Traffic Wardens patrol the area and will quickly put parking enforcement notices on any cars not having a permit. You are advised to use the church car park when visiting Our Lady & St Patrick's. When our railings and gates are installed, I will ensure that you are all advised of the code for the digital lock to be installed on the gates.

### PA System

At the recent meeting of the Building & Sites Commission of the Diocese we have been given permission to go ahead with replacing our sound system in the church and to include a linked system in the parish hall. This will include a separate Loop system for those who have hearing difficulties and will incorporate a CD player. The firm, Keystone Sound Systems, have installed systems in Clifton, The Cathedral and St Augustine's and are very thorough in their work.
