Dear Brothers and Sisters,

Today, we celebrate the Fifty-fifth 'World Day of Prayer for Vocations'. Pope Francis asked us to reflect on three points when we celebrate this day praying for the Vocations. They are "*listening, discerning and living* – were also present at beginning of Jesus' own mission, when, after his time of prayer and struggle in the desert, he visited his synagogue of Nazareth. There, he listened to the word, discerned the content of the mission entrusted to him by the Father, and proclaimed that he came to accomplish it "today" (Lk 4:16-21)." (Pope Francis)

We live in a world where we are bombarded with the information by outer sources such as media etc.. Sometimes, we don't have time to listen and these outer noises stops us to listen, contemplate and reflect the daily events of our life. Pope Francis said that the events of our life are in God's loving plan and everyday we are called to make a fruitful discernment. Our call is our presence in this world are the fruit of a Divine Vocation. We pray that the Lord continues to call others to follow him and we may heed God's Call and respond to Him.

God Bless...

Fr. Wilfred Pereppadan SCJ
