

Answers:

1. It is very bright and makes you want to close your eyes
2. Accept drawings that show an understanding of the words vast and honeycomb.
3. Tend
4. It is covered in red chalky dust that is very light and easy to breathe in
5. Slowly, cautiously, nervously, carefully - accept relevant alternatives.

I: The character is bored. They think they will die there of boredom.

E: Second person - it directly places the reader into the story. Accept answers that talk about the personal impact of this.

R: MarsAchieved

R: The fans

I: There is nobody about when there usually is, and the fans aren't working.
