<p>Lesson 2</p> <p>Reading</p>	<p>This week you are going to be writing a story about whatever you wish! It is your opportunity to be creative and apply everything you've learnt so far into your writing.</p> <p>Today, you are going to plan your story by beginning to think about the characters and what will happen by making a story map. You must box up your story into 5 parts:</p> <ul style="list-style-type: none"> • Beginning – introduce the characters and setting • Build up – an event which builds up to the problem • Climax – The main problem of the story. This is when the biggest part of the action happens. • Resolution – the problem begins to be solved. • Ending – the problem is solved. <p>On the sheet with the story map template, draw out your story and add key words/phrases that you will use in your writing.</p> <p>If you need inspiration, visit Pobble365.com</p>	<p>15 mins cosy reading</p>
