Writing your prayer:

The thank you prayers help us to give thanks for the amazing things that God gave us.

Think about when God has supported you. This may be at home, in school, with friends, family etc. How did God support you? How did he give you strength? How did it help you to overcome your problem? How did it make you feel?

This prayer is from you, so use first person pronouns.

I or me

Beginnings and endings:

Your prayers could start with:

- *I thank you for.....*
- *I give thanks for when...*
- *I give thanks when.....*

And finish with:

- *Lord I thank you.*
