

Online Learning W/C 11.01.20

Each week I will create a blog post with your online learning for that week and a timetable of online lessons. Each day there will be a live Maths and English lesson, which will be scheduled on Teams.

Our class text is 'The Explorer' by Katherine Rundell and you can find the extract of this on this week's blog page on 'Friday'.

If you need anything, please do not hesitate to contact me through the office.

English Online 9am

SPAG lesson on punctuating speech. Resources are on the blog.
When the lesson is done, choose task A,B or C. This is similar to Maths, with C being the hardest challenge.

Maths Online 2:15pm

Bring with you your WRM sheet from the blog.
Perimeter of rectangles.

Science

Continue lesson from Friday 8th Jan.

In this lesson, we are learning about the circulatory system. Find the resources on the blog.

Task 1 – Systems in the Body Activity sheet

This is a recap of Y3/4 work – can you recall the human body parts and their functions?

Task 2

Read through the PowerPoint on the blog. You will need to then fill in the heart diagram (check it with the answers) and then compare the human circulatory system with animal circulatory systems.

If you want to be more creative, try drawing your own circulatory system and annotating it!

English Online Lesson 9am

SPaG lesson on relative clauses

Maths Online 2:15pm

Bring with you your WRM sheet from the blog.
Perimeter of rectilinear shapes

	<p>Geography LO: To locate North America and describe what it is like. Resources: All resources are on the class blog for this week. You will need: North America KO, North America's Top 8 sheet, 1. Read through the knowledge organiser about North America. It is called 'North America KO'. 2. Using the world map on 'Oddizzi' website or Google Maps, locate North America. Shade it on the map. 3. Now fill in the information boxes about North America. Use your knowledge organiser or the internet. 4. Continents recap 5. Latitude and Longitude 6. Locate the oceans and continents on the map using longitude and latitude. Resources 'Using Longitude and Latitude Map B' and 'Using Longitude and Latitude Table'.</p>
<p>Wednesday 13th January 2021</p>	<p><u>Come and See Online Lesson 9am</u> Task A: Follow the PPT provided on the blog. We will be looking at how Jesus used his mission to share the Good News for the poor.</p> <p>At the end, you need to annotate the scripture with the following questions. Then you need to make links to scripture and fully explain these.</p> <ul style="list-style-type: none"> Q Why was the Spirit of God given to Jesus? Q How does Isaiah describe God's love? Q How do you think the people felt as they listened to those words? Q Who are the people mentioned by Isaiah? Q Why did he select those people in particular? Q Where do you think we see these people today? <p>Challenge:</p> <ol style="list-style-type: none"> 1. Add thumbnail pictures to the scripture. 2. How did Jesus embrace his mission? 3. How can Christians today follow in Jesus' footsteps? <p>Task B: If you're looking for something a little easier and usually find making links challenging, complete this task. You are to retell the story of Jesus feeding the 5,000. When you've done, answer the following questions:</p> <ol style="list-style-type: none"> 1. How did Jesus embrace his mission? 2. How can Christians today follow in Jesus' footsteps? <p>Maths Online 2:15pm Bring with you your WRM sheet from the blog. <i>Calculating perimeter</i></p> <p>English Today you are going to have a go at writing your newspaper report. You need to use the resources from last week and the beginning of this week. On the blog you will find a success criteria, which should help you.</p> <p>Please send it to me for feedback ☺</p>
