

Hello Year 1

Here is your work and timetable for today **Friday 15<sup>th</sup> January**.

We'll meet at 9:00am for science; scroll down the page for your activity.

Then you have a maths and a geography activity to do.

*If you can't print the sheets write or draw your work in your Home Learning book.*

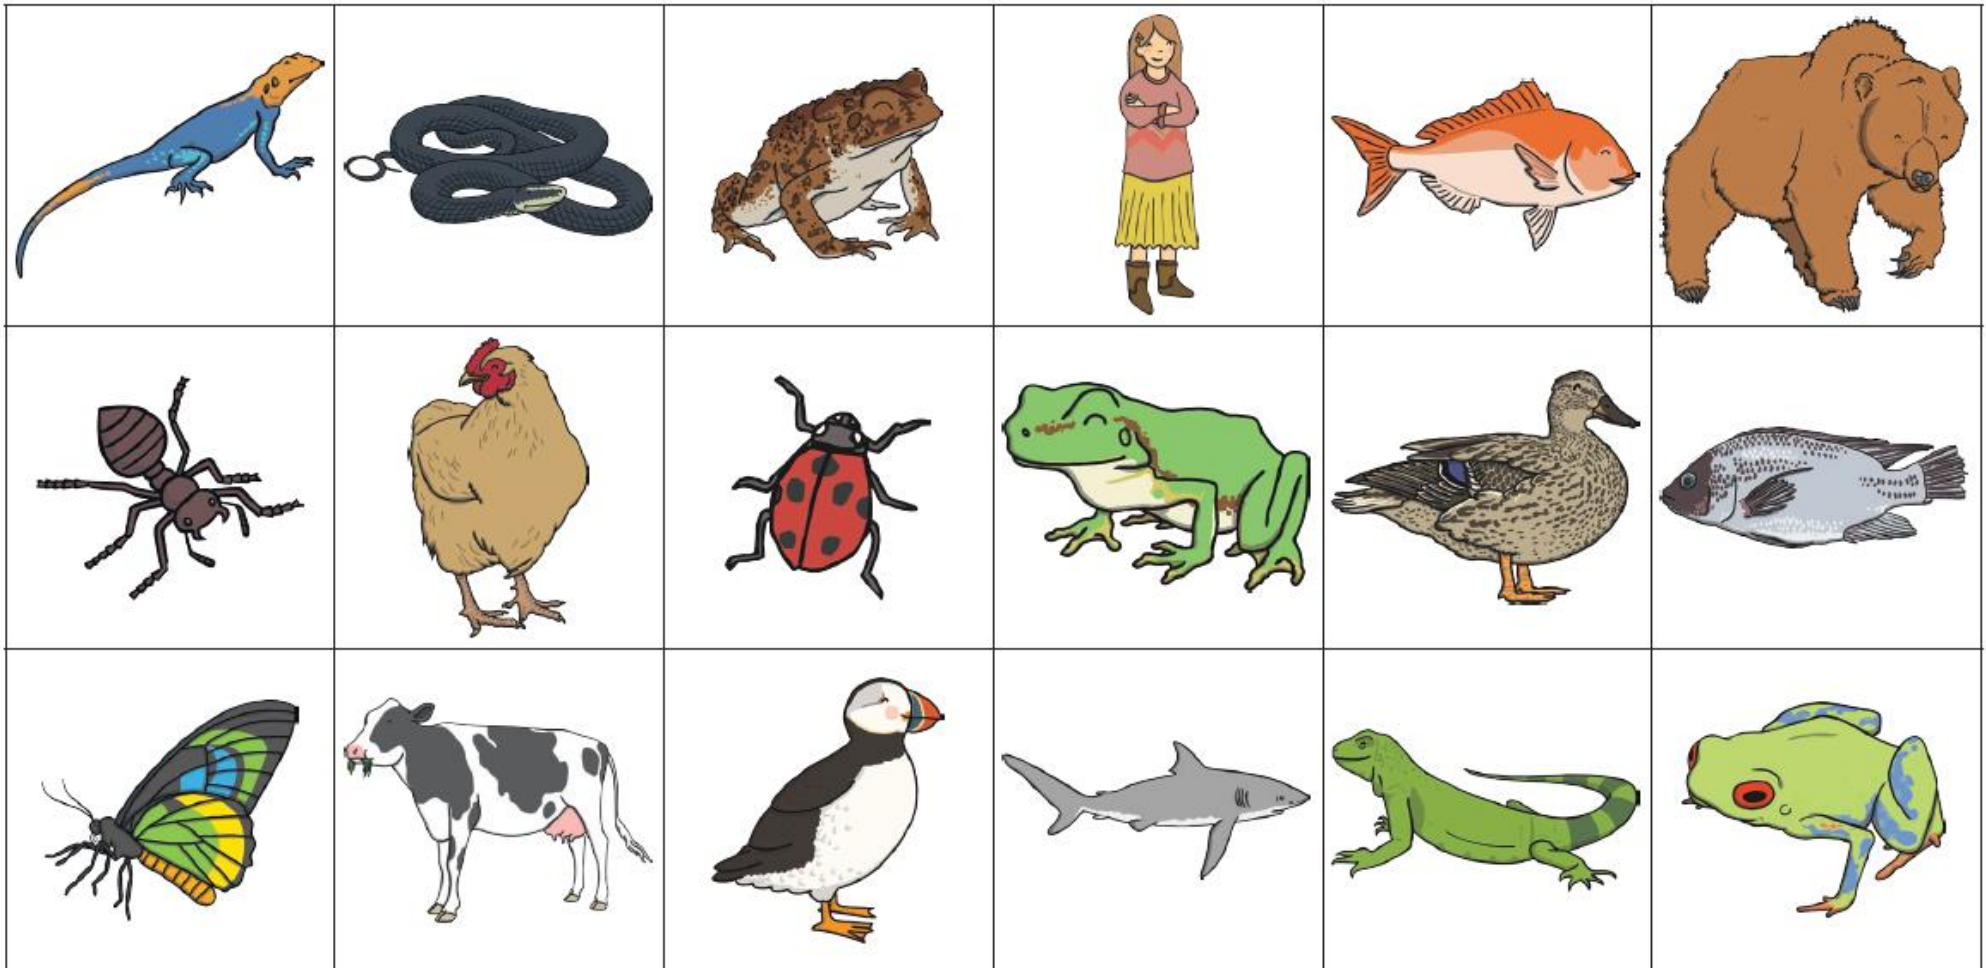

This afternoon we'll meet in Teams for Dance with Mrs Bathgate at 2pm

Science Teams Meeting 9:00am	Sorting Animals <ul style="list-style-type: none"><li>✚ Your work for this lesson are on the pages below.</li><li>✚ Print before the Teams Meeting.</li><li>✚ If you can't print, just bring paper and pencil and be ready to write or draw.</li></ul>
Maths - Subtraction	<ul style="list-style-type: none"><li>✚ Your video and worksheet are on the Home Learning page as usual</li></ul>
Geography	Months of the Year. <ul style="list-style-type: none"><li>✚ Scroll down the page to find your activity.</li><li>✚ <b>Challenge: Try to learn to say the months of the year 'off by heart'</b></li></ul>
Dance	Mrs Bathgate will lead our Teams dancing session at 2pm. Wear comfortable clothes.

# Sorting Animals

Sort these animals into the correct sets. Are they mammals, reptiles, amphibians, fish, birds or insects?

**Fish**

**Reptiles**

--	--	--

**Birds**

--	--	--

**Amphibians**

--	--	--

**Mammals**

--	--	--

**Insects**

--	--	--

April 	June 
August 	November 
May 	January 
December 	July 
February 	October 
September 	March 

### Geography Task

1. Put the months of the year into the correct order.
2. Put each month into the correct season. (There is a clue beside each month to help you and the sheet is below)
3. Learn to say the months of the year without looking at them.
